## How Can I Pay My Monthly Premium? (Continued)

### What Happens If I Pay Late?

**Your bill is due before the first day of every month.** For example, if you are paying your premium for June, it will be due May 31.

If you don't pay your premium before its due date, you may enter a grace period. This is the extra time we give you to pay. During a grace period, we may hold — or pend — payment of your claims. During your grace period, you will still have coverage. However, if you don't pay before a grace period ends, you run the risk of losing your coverage. Refer to your *Evidence of Coverage (EOC)* for grace period details.

# Finding the Right Care

We're proud to offer our quality service. Our local provider network is the group of doctors, hospitals and other healthcare providers who have agreed to provide you with your healthcare services. To view our online Provider Directory, visit <https://marketplace.wellcarenc.com/findadoc> and use our WellCare of North Carolina Guide, the provider search tool. It can help you find a Primary Care Provider (PCP), pharmacy, lab, hospital, or specialist.

A Provider Directory is a listing of providers near you. If you would like a printed copy of this listing, please call Member Services at 1-833-925-2861 (TTY 711).

The screenshot shows the MultiPlan website's provider search tool. At the top left is the MultiPlan logo. On the right, there is a 'Change Language' dropdown menu set to 'English'. The main heading is 'Find a doctor or facility'. Below this, it says 'Search for providers in your network'. There are two input fields: one for 'Primary Care Physician' and another for 'Near Charlotte, NC, USA', with a search button to the right. On the left side, there is a logo for 'PHCS MultiPlan Customized for WellCare'. At the bottom, there are links for 'Printer Friendly' and 'Email Results', and a 'Sort by' dropdown menu set to 'Distance (approx.)'. A status message at the bottom left reads 'Directory information last updated earlier today. 201 results for 'Primary Care Provider' near 28202'.

Get the right care at the right place! When you need medical care, get to know your options. They include: calling our 24/7 Nurse Advice Line, WellCare of North Carolina Telehealth through Teladoc, making an appointment with your Primary Care Provider (PCP), visiting an Urgent Care or going to the Emergency Room (ER). Your decision will depend on your specific situation.

# Your Primary Care Provider (PCP)

Your Primary Care Provider is your main doctor — the one you see for regular checkups. If your condition isn't life-threatening, calling your PCP should be your first choice. Use our online WellCare of North Carolina Guide to find an in-network provider in your area.

Visit or call your PCP if you need:

- Your annual wellness checkup & vaccinations
- Advice about your overall health
- Help with medical problems such as cold, the flu and fevers
- Treatments for an ongoing health issue like asthma or diabetes

---

## Selecting A Different PCP

We want you to be happy with the care you receive from our Providers. To search our online Provider Directory, visit [Marketplace.WellCareNC.com](https://Marketplace.WellCareNC.com).

If you would like to change your PCP for any reason, log in to your online member account and select “Change PCP” under the Doctors tab.

For new members, visit <https://Marketplace.WellCareNC.com/resources/new-members/get-started.html>.

*If you choose a nurse practitioner or physician assistant as your PCP, your benefit coverage and co-payment amounts are the same as they would be for services from other participating providers. Review your Schedule of Benefits for more information.*

Remember to select an in-network PCP! Check out our Provider Directory for a full list of your options and their contact information. It's on the Find a Doctor page of [Marketplace.WellCareNC.com](https://Marketplace.WellCareNC.com).

Refer to your *Evidence of Coverage (EOC)* for more information on your Provider Directory.

Every time you receive care, make sure to stay within the WellCare of North Carolina network.

# Access to Care

## When To Go To An Urgent Care Center

An urgent care center provides fast, hands-on care for illnesses or injuries that aren't life threatening but still need to be treated within 24 hours. Typically, you will go to an urgent care center if your PCP cannot get you in for a visit right away.

### Common urgent care issues include:

- Sprains
- Ear infections
- High fevers
- Flu symptoms with vomiting

### If you think you need to go to an urgent care center, follow these steps:

- Call your PCP. Your PCP may give you care and directions over the phone or direct you to the right place for care.
- If your PCP's office is closed, you have one of two options:
  1. Locate an in-network urgent care center by using our online WellCare of North Carolina Guide at [Marketplace.WellCareNC.com](https://Marketplace.WellCareNC.com), type in "Urgent Care" and your zip code, then click search.
  2. Call our 24/7 nurse advice line at 1-833-925-2861 (TTY 711). A nurse will help you over the phone or direct you to other care. You may have to give the nurse your phone number.

Check your *Schedule of Benefits* to see how much you must pay for urgent care services. After your visit, let your PCP know you were seen at an urgent care and why.

Call our 24/7 nurse advice line anytime: 1-833-925-2861 (TTY 711).

# When To Go To The ER

Anything that could endanger your life (or your unborn child's life, if you're pregnant) without immediate medical attention is considered an emergency situation. Emergency services treat accidental injuries or the onset of what appears to be a medical condition. We cover emergency medical and behavioral health services both in and out of our service area. We cover these services 24/7. Emergency services are covered in-network and out-of-network. When receiving Emergency Care at either an in-network or out-of-network provider the only bill you should receive is for any applicable cost share (e.g. co-pay, deductible or co-insurance).

Refer to your *Evidence of Coverage* for information on Protection from Balance Billing.

Go to the ER if you have:	
<ul style="list-style-type: none"> <li>• Broken bones</li> <li>• Bleeding that won't stop</li> <li>• Labor pains or other bleeding (if you're pregnant)</li> <li>• Severe chest pains or heart attack symptoms</li> <li>• Overdosed on drugs</li> <li>• Ingested poison</li> </ul>	<ul style="list-style-type: none"> <li>• Bad burns</li> <li>• Shock symptoms (sweat, thirst, dizziness, pale skin)</li> <li>• Convulsions or seizures</li> <li>• Trouble breathing</li> <li>• The sudden inability to see, move or speak</li> <li>• Gun or knife wounds</li> </ul>

Don't go to the ER for:	
<ul style="list-style-type: none"> <li>• Flu, colds, sore throats or earaches</li> <li>• Sprains or strains</li> <li>• Cuts or scrapes that don't require stitches</li> </ul>	<ul style="list-style-type: none"> <li>• More medicine or prescription refills</li> <li>• Diaper rash</li> </ul>

## What if you need Emergency Care out of our service area?

Our plan will pay for emergency care while you are out of the country or state. If you go to an out-of-network ER and you aren't experiencing a true emergency, you may be responsible for any amounts above what your plan covers. Those additional amounts could be very large and would be in addition to your plan's cost sharing and deductibles. Learn more about your options [Marketplace.WellCareNC.com](https://Marketplace.WellCareNC.com).

Have your member ID and photo ID ready. You will need them whenever you receive any type of care. Urgent care is not emergency care. Only go to the ER if your doctor tells you to or if you have a life-threatening emergency.

If you need help deciding where to go for care, call our 24/7 nurse advice line at 1-833-925-2861 (TTY 711). In an emergency, call 911 or head straight to the nearest emergency room. Seek ER services only if your life is at risk and you need immediate, emergency medical attention.

# What To Do If You Receive A Bill From A Provider Or Physician:

When seeing an in-network provider, including but not limited to physicians, hospitals, pharmacies, facilities and health care professionals, you are responsible for any applicable cost sharing amounts (e.g. co-pay, deductible or co-insurance). Your member responsibility can be viewed on the explanation of benefits. This can be found by logging into your secure account at [Marketplace.WellCareNC.com](https://Marketplace.WellCareNC.com).

As a member of WellCare of North Carolina , non-network providers should not bill you for covered services for any amount greater than your applicable in-network cost sharing responsibilities when:

- You receive a covered emergency service or air ambulance service from a non-network provider. This includes services you may get after you are in stable condition, unless the non-network provider obtains your written consent to bill you for their service.
- You receive non-emergency ancillary services (emergency medicine, anesthesiology, pathology, radiology, and neonatology, as well as diagnostic services (including radiology and laboratory services)) from a non-network provider at a network hospital or network ambulatory surgical facility.
- You receive other non-emergency services from a non-network provider at a network hospital or network ambulatory surgical facility, unless the non-network provider obtains your written consent to bill you for their service.

If you receive a bill for services in the above situations, please contact Member Services at 1-833-925-2861 (TTY 711).

Refer to your *Evidence of Coverage (EOC)* for information on Balance Billing and Eligible Expenses.

# Utilization Management

---

## What Is Utilization Management?

We want to make sure you get the right care and services. Our utilization management (UM) process is designed to make sure you get the treatment you need.

We will approve all covered benefits that are medically necessary. Our Utilization Management Department checks to see if the service needed is a covered benefit. If it is covered, the UM nurses check to see if the service is medically necessary. They do this by reviewing the medical notes and talking with your doctor. WellCare of North Carolina does not reward or pay our doctors or employees for approving or denying services. All decisions are based on appropriate care and coverage.

WellCare of North Carolina's utilization review includes services to ensure the care you receive is the best way to help improve your health condition. For questions about UM, please call 1-833-925-2861 (TTY 711).
